

Correction

Guillain-Barré syndrome associated with H1N1 vaccination

Luis F. Marin, Agessandro Abrahão, Flavio A. Carvalho, William A.C. Santos, Cleber C. Dallalba, Lorena B. Barcelos, Gisele S. Silva, Acary S.B. Oliveira

Arq Neuropsiquiatr 2010;68:974-975

Authors: where is Ayessandro Abrahão **consider** Agessandro Abrahão.

The Editors

Thanks to referees

The Editorial Board of Arquivos de Neuro-Psiquiatria thanks those referees who altruistically have expended their time to provide reviews of manuscripts submitted from October 1, 2009 to September 30, 2010. (Those names were missing in the Number 6, December 2010)

Ana Guardiola; Ana Maria Sales Low; Cláudia Sobreiro; João Augusto Bertuol Figueiró; Maria Tereza Souza Nascimento; Nadia Nader Mangini; Vera Lúcia Krebs
