

ACKNOWLEDGMENT

We thank the reviewers, listed below along with the number of articles published in 2010 evaluated by them, available in editions 25.1 to 25.4 of the Brazilian Journal of Cardiovascular Surgery (BJCVS). To them, and those who are evaluating manuscripts that will be published soon, my and the Editorial Board acknowledgment for this volunteer work that allows the RBCCV continue publishing high quality articles, when evaluated within strict criteria and the absolute scientific accuracy.
