Erratum for: Braz J Med Biol Res | doi: 10.1590/1414-431X20198882 | PMID: 32294699 | PMCID: PMC7162583

The authors would like to correct the Corresponding authors' names and emails and the Acknowledgments section of the article “Puerarin inhibits hepatocellular carcinoma invasion and metastasis through miR-21-mediated PTEN/AKT signaling to suppress the epithelial-mesenchymal transition”. The Editors highlight that the information presented in the original version was provided by the authors at submission and revision. In addition, the authors had the opportunity to correct the information during proofreading, before approving for publication.
