[Optional: include text about the study's contribution to the area]

We declare, for the purposes of submission to the journal **Arquivos de Neuro-Psiquiatria**, published by the Academia Brasileira de Neurologia (Brazilian Academy of Neurology), hereafter mentioned as Academy, that the manuscript is original and was not published - partially or fully - or submitted simultaneously to another journal.

We also declare that, if accepted for publication, we irrevocably concede the manuscript rights to the Academy, recognizing that the reproduction of the content, total or partial, is forbidden without prior and necessary authorization requested in writing and obtained from the Academy.

We acknowledge the following conflicts of interest: [explain, if any, relationships that involve professional, financial, direct or indirect beneficiary conflicts of interest, or delete this and explicitly declare the inexistence of such associations]

In relation to the Arquivos de Neuro-Psiquiatria submission process, we declare we have read, are aware and accept the terms and instructions available from: <http://www.scielo.br/revistas/anp/iinstruc.htm>, which will apply in the event of publication of this study.

At the same time, we inform that:

1. The protocol was approved by the IRB and the number is:  
[indicate the protocol number]
2. The authors understand that the studies involving experimental animals must conform to the guiding principles of the Declaration of Helsinki.
3. The informed consent declaration was obtained in writing from all patients or members of their families (for studies that involve humans). The signed consent form(s) should be retained by the corresponding author and NOT sent to Arquivos de Neuro-Psiquiatria.
4. We have kept a copy of the present manuscript.
5. The study was supported financially by [insert names of the institutions that gave support for the study].
6. The manuscript expresses the opinion of the authors independent of the institution or the it's financier.
7. The manuscript was read and approved by all authors.

8. All authors are aware of the requirements for authorship (listed below), according to ICMJE criteria (<http://www.icmje.org/recommendations/>), were met.
- a) Substantial contributions to the design or development of the study;
  - b) Substantial contributions in the collection, analysis and interpretation of data;
  - c) Substantial contributions in the writing of the article or in its critical revision;
  - d) Substantial contributions in the approval of the final version.
9. In case that the manuscript was deposited on a preprint server, please provide the information presented below:
- a) Title of the manuscript:
  - b) DOI:
  - c) Preprint server name:
  - d) URL:

Thank you in advance for your consideration.

Sincerely,

City, day, month, year.
